

As President of the Chaves County Development Foundation, I wish to express my sincere appreciation to you for your support of this organization. Business development is an ongoing endeavor and it is our mission to build a strong and vibrant local industrial business economy. On behalf of the City of Roswell, Chaves County and our members we are committed to our task of creating long-term meaningful employment for the citizens of Chaves County.

Respectfully we seek your financial assistance to help us continue our economic development efforts. The investment you make in Chaves County Development Foundation will directly benefit this community; CCDF will market nationally the many assets of Chaves County, recruit new companies, and help with the expansion of existing industries.

With your continued help, we will have a successful year. Thank you for your consideration.

Cordially,

Frances Medrano, President
Chaves County Development Foundation

OUR VISION

Chaves County will become the hub for economic development in Southeastern New Mexico, aggressively pursuing an enhanced economy, improved business climate and quality of life in the region.

2006~2007

OBJECTIVES

Air Service: Remains an important recruitment and retention/expansion component not only for Chaves County, but also throughout Southeast New Mexico. CCDF continues to actively recruit a jet air carrier which will provide direct flight service from Roswell to eastern markets.

Air Cargo: As an identified business development opportunity, the Board of Directors formally organized an Air Cargo Committee. The vision of this committee: develop the Roswell International Air Center into a sub-hub destination for small and medium size air cargo companies.

Retention & Expansion Tours: Purpose is to tour 6 existing industrial businesses, review issues effecting business growth and determine areas where CCDF can assist with development.

Economic-Based Communication: Establish a cooperative interactive dialogue with all industrial companies. Purpose is to assist each company with employment demands, i.e. training and recruiting; additionally via the communications system introduce and educate e-based businesses to New Mexico business development incentives, tax credits, and etc.

Past President Club: Committee comprised of former presidents of the Chaves County Development Foundation; purpose—membership development.

Potential Recruitment Opportunity (PRO): CCDF staff responsibility: purpose is to identify potential industrial relocation opportunities as well as evaluate and respond to New Mexico Economic Development Partnership recruitment leads.
