Dear Clark and Angela:

It's hard to know where to start expressing our appreciation for all that you have done for ReelzChannel, so I'll just try a great big THANK YOU!

The process to get to a decision on moving ReelzChannel to Albuquerque would have been much more difficult, if not impossible, without the two of you and your organization so solidly behind us. Your help in getting an announcement made and getting our employee recruitment underway has been invaluable. Thank you!

I look forward to getting to know both of you better and to finding a way to be as helpful to the NM Partnership as you have been to us. The next few months will be hectic, but I move forward with great confidence knowing you stand with us.

Most Sincerely,

Stan E. Hubbard
